How about signing him up for the daily chizuk e-mails (without telling him)?

I don't know if you should cover his tracks. Maybe your Mom needs to find out and SHOCK him into recovery. Hmmm....

Maybe you should set up K9 or a filter on the computer, maybe that would help. Or I dont know the relationship you have with him, maybe speak to him and kinda mention in passing the terrible consequences looking at the wrong things does to a person.

Hatzlocha !!!

You can delete this thread whenever you want, just press "Remove". However, wait until that boy reads it...
