

Help me hit rock bottom.... now!

Posted by shemirateinayim - 22 Jul 2011 09:19

---

As you might recall from my welcoming thread "A new start for an Old Freind", i have relapsed after an extended period of recovery. And I use the word 'recovery' since an addict never fully recovers and is always liable to relapse. I am currently rolling in the shmutz, destroying myself a little more every day. Feel sorry for my neshama, it has really been taking a beating recently.

Anyhow I need help hitting rock bottom!!

(welcome back Tomim!, good to see you)

Thank you

I've been lurking around for a while and I thought I might as well reopen up my account and post a bit.

We'll see how it goes.
