Turn your truck back right side up and get back in! The road ahead is clear, no speed bumps or cops in sight.

And remember, you still have 22 days in the bank. You know you can do it!

Gevura!

One day at a time, friend. You are not starting over, you are continuing your success after one setback. The score is 22:1, and you're in the lead, sababa.

Never thought of it exactly that way. Very enlightening. Thank you.
