

Uri's Songs

Posted by the.guard - 09 Aug 2009 22:55

Hey guys, did you know Uri was a soulful musician?

[Click here](#) to download a song he sent me, that he played and sung on the guitar... Brings tears to the eyes... :(

Here are the lyrics: (Uri, maybe you should consider going around the world and playing GuardYourEyes songs to be Machzir yidden bitshuvah, like Shlomo Carlbach? :D)

My Guard Your Eyes Song - By Uri

Im walking down the city street.

I'm staring at my feet.

I sense pritzus all around,

but my eyes are looking down.

Is that how it should be?

Life in the holy city?

How far are we gone,

from the city that was song.

Hashem!Hashem!Listen to our tears!

We've been washing the streets of jerusalem with them for 2000 years!

Our father,our king!Wont you hear our cries?!

Where are you, Tatte? Please don't say goodbye..

When I finally reach the wall,

feeling 2 feet tall.

I touch the holy stones of G-d

and I start to sob.

I cry for my family and my friends,

for my sickness that never ends.

But I realize that I am not alone.

a sigh comes from the stones.

They cry:

Hashem! Hashem! Listen to their tears!

They've been flooding the streets of Jerusalem with them for 2000 years!

Our father, our king! Won't you hear their cries?!

Where are you, Tatte? Please don't say goodbye.

I lay in bed all night,

tossing till first light.

I feel so alone,

though my family are all home.

*My need is so strong,
but acting out is so wrong.*

*Isnt there a way,
for comfort without pay??*

*Is it worth the cost,
to let lust be my boss?
My heart wants TV,
but my neshama starts to sing!*

She cries:

*Hashem!Hashem!Listen to our tears!
We've been washing the streets of jerusalem with them for 2000 years!
Our father,our king!Wont you hear our cries?!
Where are you,Tatte?Without you,we will die.*

*Hours by the computer screen,
with all thoughts unclean.
My neshama sits forlorn,
In a world not her own.*

*Is this who I want to be,
a person who isnt free?*

Prisoner to my lust,

break free is what I must!

Hashem!Hashem!Listen to our tears!

We've been washing the streets of jerusalem with them for 2000 years!

Our father,our king!Wont you hear our cries?!

Where are you,Tatte?Without you,we will die.

My soul wants you so,I want to sit on your lap.

Tatte please hug me,I want you to wrap.

your arms around me,I'm so tired and cold!

Abba take us home!To the city of gold.

I'm really totally completely at a loss for words. I haven't cried like this in a long time.

Uri.....

I wrote another 2 songs.but guard is delaying their release for some reason

I think he's worried that our engines might over-heat from to much at once.

WoW! That song was really something special! It really puts a new perspective on things for me!
I never thought that Hashem and the malachim are watching me as I struggle and hoping i win.
If I think of it that way then this forum is a part of the most amazing cheering squad ever!!!

I WANT MALACHIM TO DANCE BECAUSE OF ME AND HASHEM TO SAY "I'M SO PROUD
OF YOU!!"

Another beautiful song from Uri, our roving GYE musician!

I am sure Hashem treasures each of these songs like the songs of the Levi'im in the Beis Hamikdash...

Uri is writing his own personal Tehhilim - and we are lucky enough that he is sharing it with us!

Yehi ratzon milfanecha

Sheyihyu mechshevosay tehorim lefanecha

Yehi ratzoncha elokeinu

Shenire koolanu es moshiach tzidkeinu

Hashem my G-d please fill my request.

Please help me get this pain off of my chest.

I've been trying so hard to do what you say,

But now all that's left is to come to you and pray.

Help me to guard my heart and my eyes.

Help me to keep my thoughts in the sky.

Make sure I don't slip and fall in the dust,

Hashem, my father, it's in you I trust.

Hashem eloki refoayni na

Mechok dimosai hatzilayni koh

Shomreini kel ki chasiti boch

Oy avinu ani oheiv otach.

Hashem help me stay sober today

Hashem please help me keep my yetzer at bay.

Hashem all I really want is to serve you

So please, please help me to keep true.

But it's not just for myself I pray for, my G-d

All of your children need help from above.

There's oh so much in all your daughters and sons

Hashem is this fitting for your precious ones?

Ani maamin bemuna sheleima

Sheyavoh moshiach bekarov meheira

Anu tzonecha veata roeinu

Oy, na al tishkacheinu

I love spoofs ;D! in 12th grade, i wrote spoofs the entire year in this notebook. All the teachers thought that i loved their classes and had a special notebook for them :-[. Pretty embarrassing now, but the songs are fun! Post a link!
