

Uri's Songs

Posted by the.guard - 09 Aug 2009 22:55

Hey guys, did you know Uri was a soulful musician?

[Click here](#) to download a song he sent me, that he played and sung on the guitar... Brings tears to the eyes... :(

Here are the lyrics: (Uri, maybe you should consider going around the world and playing GuardYourEyes songs to be Machzir yidden bitshuvah, like Shlomo Carlbach? :D)

My Guard Your Eyes Song - By Uri

Im walking down the city street.

I'm staring at my feet.

I sense pritzus all around,

but my eyes are looking down.

Is that how it should be?

Life in the holy city?

How far are we gone,

from the city that was song.

Hashem!Hashem!Listen to our tears!

We've been washing the streets of jerusalem with them for 2000 years!

Our father,our king!Wont you hear our cries?!

Where are you, Tatte? Please don't say goodbye..

When I finally reach the wall,

feeling 2 feet tall.

I touch the holy stones of G-d

and I start to sob.

I cry for my family and my friends,

for my sickness that never ends.

But I realize that I am not alone.

a sigh comes from the stones.

They cry:

Hashem! Hashem! Listen to their tears!

They've been flooding the streets of Jerusalem with them for 2000 years!

Our father, our king! Won't you hear their cries?!

Where are you, Tatte? Please don't say goodbye.

I lay in bed all night,

tossing till first light.

I feel so alone,

though my family are all home.

*My need is so strong,
but acting out is so wrong.*

*Isnt there a way,
for comfort without pay??*

*Is it worth the cost,
to let lust be my boss?
My heart wants TV,
but my neshama starts to sing!*

She cries:

*Hashem!Hashem!Listen to our tears!
We've been washing the streets of jerusalem with them for 2000 years!
Our father,our king!Wont you hear our cries?!
Where are you,Tatte?Without you,we will die.*

*Hours by the computer screen,
with all thoughts unclean.
My neshama sits forlorn,
In a world not her own.*

*Is this who I want to be,
a person who isnt free?*

Prisoner to my lust,

break free is what I must!

Hashem!Hashem!Listen to our tears!

We've been washing the streets of jerusalem with them for 2000 years!

Our father,our king!Wont you hear our cries?!

Where are you,Tatte?Without you,we will die.

My soul wants you so,I want to sit on your lap.

Tatte please hug me,I want you to wrap.

your arms around me,I'm so tired and cold!

Abba take us home!To the city of gold.

I was referring to the first song. I was just thinking about that just the other day.

I've always had a "private" part of my life. Even my family doesn't know what kind of private life I had. Lately though, my private life is something I've become very proud of. And still, nobody knows. Your song is very meaningful, and hits the spot!

The second song is a hit as well! I didn't hear it before posting though.
check them out there

tomim my friend i was joking.sheesh.

yea i know exactly how u feel.

the song was inspired by a ride i got a few days ago where i was beaten left and right by the driver about not being in the army.

the ride left me very depressed,to be honest,until i spoke to a certain malach,who helped me put it all in gevaldig perspective.oy,what tzaddikim we have on this site!!

First of all, my wisdom isn't infinite. It is only about **half way** to infinite. (BTW, what *is* half of infinite? Does that question ever keep you up at night? It sure does me. I'm about half way through an answer though).

Second of all, the reason I did that was because when I first posted the two new songs on this thread, one of them came out on a new page. So I figured that when people see "new" on this thread and naturally check out the last page, they'll see only the last song - but not the first one. And they would never think to go to the page *before* to see if perhaps there's another song there. So to solve this and make sure everyone sees BOTH songs, I started a new thread.

With Love,

Finitely wise Guard.

Uri, good to have you visit us. How's the Yeshiva going?

Is there really a username Kookooreekoo or is that a joke?

I love your songs, and I think you're great. However, I have to mention that I don't see a contradiction between fighting the Y"H internally and joining the Israeli army. The Nahal Hareidi or Hesder are good options for the religious. In fact, they might compliment each other. I am not saying you HAVE to if you don't want to or don't feel ready for it, but I'm just saying I don't see a

that stanza was not written to berate the army in any way.

in my opinion,though,NO sex addict should go to the army.there might be those who disagree,of course.they are entitled to that opinion,obviously.

the point that i was trying to make is that people see me sometimes as a draft-dodging lazy person.

but i am fighting a very intense war that is just as difficult and with less breaks.no breaks in fact.

but far from being recognized,nobody knows.

i just sometimes wish people could see.

sorry if anyone was offended.

many of my closest friends are/were in the army,and i most definetly hold alot of hakaros hatov for anyone who would put his life on the line for his people.just not for me at the moment.

You wrote "NO sex addict should go to the army." I believe the religious units separate between the sexes, at least the Nahal Hareidi does for sure. But I can appreciate that you don't feel ready for it at this time. It's certainly a life changing event.

Anyway, moving on, you didn't answer my first question: How are YOU doing? How's the Yeshiva going? Is Kookooreeko a real username here?

Yes, Kookoo was a real sex addict, worse than Momo and worse than Uri. He was completely powerless and was doing the worst things. Today he is about 3 years sober through the 12-Steps and SA. See Kookoo's posts on the forum by [clicking here](#) (read from the bottom up). **I highly suggest that both you (Momo) and Uri read through his posts.** There are not *that* many (only two pages).
