

Uri's Songs

Posted by the.guard - 09 Aug 2009 22:55

Hey guys, did you know Uri was a soulful musician?

[Click here](#) to download a song he sent me, that he played and sung on the guitar... Brings tears to the eyes... :(

Here are the lyrics: (Uri, maybe you should consider going around the world and playing GuardYourEyes songs to be Machzir yidden bitshuvah, like Shlomo Carlbach? :D)

My Guard Your Eyes Song - By Uri

Im walking down the city street.

I'm staring at my feet.

I sense pritzus all around,

but my eyes are looking down.

Is that how it should be?

Life in the holy city?

How far are we gone,

from the city that was song.

Hashem!Hashem!Listen to our tears!

We've been washing the streets of jerusalem with them for 2000 years!

Our father,our king!Wont you hear our cries?!

Where are you, Tatte? Please don't say goodbye..

When I finally reach the wall,

feeling 2 feet tall.

I touch the holy stones of G-d

and I start to sob.

I cry for my family and my friends,

for my sickness that never ends.

But I realize that I am not alone.

a sigh comes from the stones.

They cry:

Hashem! Hashem! Listen to their tears!

They've been flooding the streets of Jerusalem with them for 2000 years!

Our father, our king! Won't you hear their cries?!

Where are you, Tatte? Please don't say goodbye.

I lay in bed all night,

tossing till first light.

I feel so alone,

though my family are all home.

*My need is so strong,
but acting out is so wrong.*

*Isnt there a way,
for comfort without pay??*

*Is it worth the cost,
to let lust be my boss?
My heart wants TV,
but my neshama starts to sing!*

She cries:

*Hashem!Hashem!Listen to our tears!
We've been washing the streets of jerusalem with them for 2000 years!
Our father,our king!Wont you hear our cries?!
Where are you,Tatte?Without you,we will die.*

*Hours by the computer screen,
with all thoughts unclean.
My neshama sits forlorn,
In a world not her own.*

*Is this who I want to be,
a person who isnt free?*

Prisoner to my lust,

break free is what I must!

Hashem!Hashem!Listen to our tears!

We've been washing the streets of jerusalem with them for 2000 years!

Our father,our king!Wont you hear our cries?!

Where are you,Tatte?Without you,we will die.

My soul wants you so,I want to sit on your lap.

Tatte please hug me,I want you to wrap.

your arms around me,I'm so tired and cold!

Abba take us home!To the city of gold.

Yet another moving song from Uri that many of us can relate to!

My Shame

Download the MP3 file [here](#).

Do you know what it's like

to be living one big lie?

Pretending to be someone I'm not

wishin I would just die.

Rosh yeshiva calls me in

to see him privately.

I have such great news,

shidduch with a top family.

As I leave his office

a bochur comes runnin up

He asks me to help him out

with a gemara that's very tough.

Do you know what it's like

to be living one big lie?

Pretending to be normal

but wishin I would just die.

My parents beam with pride

as I receive an award.

My siblings watch in awe,

their brother they adore.

Mothers say to their kids

"if only you could be like him"

I hang my hand in shame

so no one can see my eyes swim.

Do you know what it's like

to be living one big lie?

Pretending to be normal

but wishin I would just die.

I wish I could get away,

and not have to face the world.

I'm tired of their compliments.

I wish insults they would hurl.

Should I just come out

and tell the world.

About the truth inside,

the sex and the girls.

Do you know what it's like

to be living one big lie?

Pretending to be normal

but wishin I would just die..

But then I found GYE

realized that there's more.

I'm not just filled with pain,

there's a treasure behind the door.

Now I do not feel

so very ashamed.

I know that I struggle

with a tremendous pain.

But one day I'll beat it

and all that will remain

is old plain normal me,

but now with less shame.

There is more to me.

than what the eye can see.

There is more to me,

then what the eye can see.

there are tears running down my cheeks, and i actually sobbed.

It's so so hard to be alone. Almost everything you wrote has happened to me (in the girl version), and I always just felt guilty. I even avoided certain people who looked up to me just because i couldn't stand that they thought i was good.

I don't know how you do it, but your gift for putting feelings to song is incredible.

In Honor of 7Up's 90th Day!

By Uri

[Download the MP3 File here](#)

It was only several months ago

when I first met my mom.

Since then my life hasn't been the same,

a new day has come.

She is so wise and caring,

the very softest heart.

Her compassion knows no bounds

though she'll rip us apart.

Don't think she has it easy,

no, her life is quite hard.

But she'll give us all she has,

plus the extra yard.

Whenever I felt like falling

I'd reach out with a cry.

And she'd be right there smiling,

my son let's see you try.

Her inspiration and wisdom

have touched us all.

She'd be there to help us

when our backs were against the wall.

But one day she decided

to make the roughest choice.

She sadly informed us that for a while

we won't hear her voice.

Pandemonia struck

all the girls cried.

It really felt like

someone had just died.

But we all know

she's watching us real close.

She's still there to grab us

if she needs to, she will post.

And now our mom has reached

the beautiful 3 months.

90 days of fighting the yetzer

thats so rough.

Can't wait till she'll return again

there will be great joy.

And we'll shout "7UP is back!!"

Mommy has come home!!

Uri, beautiful songs. You're tearing at our heartstrings.

I think it's safe to say that we can all identify with your neshama's voice that sings your songs.

About the song shame,

I feel that Hashem puts me here (as being very successful in everything but my addiction). To remind me that everything is from Him!

If not I would forget about Hashem completely and only focus about my succes and how I am the top of the world.

Hashem created this shame so we could want to come close to him and realise he is the one running the show completely!

Thank you Uri Your songs come from the Neshama!!!!!!
