

I Got My Soul Back!

Posted by Efshar Letaken - 10 Aug 2009 17:33

B”SD

August 10, 2009

90 Days, 90 Days,

What can I say, for Hashem I'm full of Praise.

I thank Hashem for the depth of my Heart,

He was there for me from the Start.

My story is just another of the Same,

I just had enough of the Yetser Hora's Game.

Fighting & Falling for so many Years,

My eyes were already, dry from Tears.

Finally one day my prayers Hashem did Hear,

And I finally found GYE to help me, myself to Repair.

From Reb Guard & his Hand Books & all the Others,

Over here at GYE we are all like Sisters & Brothers.

I thank Hashem, for sending me this Way,

And getting out of the Y"H's Prey.

No! It wasn't easy, I have to Admit,

But I don't miss my old life, not a Bit.

It is very rewarding as all of you Know,

And those who don't yet, time will Show.

If we keep on fighting & never let Go,

We will give the Y"H a blow after Blow.

Eventually he will have to confess,

That with GYE members, he cannot Mess.

He doesn't care much about the Sin,

What he wants is for us to **Give Up**, so that he can Win.

So the message the Y"H is loud & Clear,

Get lost once & forever, for from you we do not Fear.

Yes you might be stronger than us Flesh & Blood we Are,

But we "Let Go & Let G-D" & he's stronger than you by Far.

The fight is never over; we will fight till the End,

We will get even with you, when Hashem, Moshiach will very soon send.

So for those Yidden that GYE haven't found Yet,

We have to ask Hashem why we haven't Met.

So many Yidden with P**n are Addicted,

They need us to help them get Evicted.

They need us to help them find Guard Your Eyes,

So that the Y"H they too will Despise.

If we want to greet Moshiach with our heads held High,

Then let's put in the extra effort and tell the Y"H GOOD BYE!

So I ask everyone to help in every Way,

For this is the last battle, before Hashem does Say.

My Holy Children The Time Has Come!

With Klal Yisroel Once Again, I Will Be One.

Thank You My Holy Brothers & Sisters

The Fight Goes On

Yes! Efshar Letaken

ohh, I see. I have a kasha on rav wolfson then - with all the poskim discussing toiros on pizah, shiurim for washing, etc., isn't that an aliyah for it? I remember the poskim discussing a certain animal..one of them said when he saw it 'ah, this is the heilige X-min', since so much torah was written on it. Wouldn't that be enough to be able to eat pizza? Also, is it shayach that yidden in asia used to eat sushi, being mesaken it? Also, how come he looks at pizza as a new min, as opposed to looking at it as bread, cheese and sauce(all of which ere certainly tikun-ed)? I'm really curious - I dont have a keshet with rav wolfson, but he has a prominent position in my yeshiva so I'm sure i'll be able to talk to him at some point.

MAZEL TOV EFSHAR!!!

I'm really late, but better late than never. Mazel Tov, Mazel Tov! Hashem should grant you a lifetime of true Avodas Hashem in the truest sense. I want you to know that your poetry adds a tremendous ammount to our war effort. You know, its not easy for people to change their way of thinking. (As the 12 steppers say: it doesn't help to read the steps, you have to live them) The arts help a lot in getting through to people's hearts. Between your poetry, bardichev's humor and of course Uri's songs the forum has become a whole lot more effective. You have a tremendous zechus.

I hope you continue your full fledged involvement in the forum, you are one of the great powers over here.

Battleworn,

Thanks!

Words of chizuk coming from any front line soldier gives me great strength.

But, words of chizuk coming from a wounded soldier as you adds that much more to know that "Yes We Can!"

I missed you very much the last few weeks you weren't here.

Whatever the reason, I look forward on seeing you back full force.

You have a lot of unfinished work to do.

Can't wait!

E.L.

Thank you E. L. About my unfinished work, I'm trying to figure out if this forum is really the right place for it. I hope and pray that I'll reach a maskana on that very soon.

I know what you mean. The way I understand it is that we are all on the same page as to the fact that there are "shivim ponim latoiro"

I also don't think anyone disagrees with your mehalich or the torahs mehalich.

I think its just a matter of interpretation of for instance what the word "Loser" means & I hear both sides of the argument as much as I feel more comfortable with the way you see it.

I think you take it a bit to serious.

Just put your approach down the way you see it fit to be & if there are some people that

respectfully disagree then so be it.

For those of us that this approach does work for them it will be very helpful.

And Reb Guard will be more than glad to have it here on GYE on the top of the page as it has been until now.

Please listen to my advice you won't regret it.

We can even do a poll on top of your thread to see how many people do want you to go ahead and finish the Torah Approach with full clarity.

You have my vote!

E.L.
