

Chizuk please

Posted by tehillimzugger - 22 Aug 2011 13:31

i was doing pretty good until now but various circumstances led to me spending the meals this past shabbos with a certain girl (i'm a bachur) and then going on a full day trip with her yesterday, now there were other ppl there so it wasn't yichud and i didn't even speak to her (directly) the whole time, but it was kind of uncomfortable going to meron, tzfat, tiberia. with two ppl out of the six going being the only singles and of the opposite sex, so there we were both davening for a shidduch and it was kinda uncomfortable [was that a run-on sentence?]. but i survived. then last night i had a dream where i watched p**n and started mas*****ing i didn't finish though, i woke up and stopped. so i'm still doing pretty good but i could really use some chizuk.

oh, and did i mention that i said tehilim at the mekomos hakedoshim?

Why don't you come over and spend a few days with me...

i agree that it's not ideal and i would definitely enjoy spending a few days with the koneh olamo beshaa achas but those "various circumstances" i described [or rather, failed to describe] keep me from doing so. but hey, as soon as that's over i'll be glad to chill the remainder of bein hazzmznim with you, if you were serious.

Tough sitch TZ. I assume this is like some joint family bain hazmanim trip or something like that and prolly putting you in some really uncomfortable situations.. Are you able to express this to anyone there... Like to point out that it is uncomfortable for you to be in a constant social setting with a single girl. Could anyone else that's there appreciate why you feel this is inappropriate... Just wondering. Be strong!

for those who wanted to know [and went ahead and sent me pm, and for those who wanted to know but didn't send me pm] what SHE said last night:

SHE is my brother-in-law's sister which means [among other stuff] that we share a niece. remember when my sister asked me to take stuff off HER cam? she wanted me to do something

on photoshop with a pic of my niece [i'm very talented too, lol].

so when i finally got off gye long enough to do it [and only cuz SHE took this computer] i made it, and it came out very nice, but then SHE was asked her opinion, and SHE started saying how she looooooves it sooooo much and how it's "precious" and all those other stuff girls are known to say.

anyway i'm finally going to daven, keep the chizuk rolling

P.S. i still can't stop laughing from this

creep up on her and position a Monstuh' Truck Speaker near her (ear) and then let loose with Kapitel 119. you should only hear from her again in about 2030...

it had me laughing in bed last night too, thanks.

i got back from davening- pouring out my soul for the MMH and i don't care an iota about her anymore

in matisyahu's words:

The only one who can get us out of this mess

-the one who put us here.

I've got a spear driven through my ear...

Can't you hear the sound crstal clear

Crystals crashing chandelier

Run for brooks of water like the deer

"a man is just a man filled with faults and weakness

4 am jerusalem all alone and speechless

and night time, nobody's home, roam streets with darkness

i feel i'm just a man...

planting seeds they won't sink in

i'm dried out like the desert earth

how will these seeds give birth"

i was trying to remember the name of the song, i still can't but i remembered these additional lyrics, thanx for reminding me!

tachlis geredt, are you out of this 'situation'?

not that you need me to tell you, but you should try to find a different venue for bein hazamanim, away from single girls with shared nieces

maybe print out 500 GYE flyers, put a paper bag on your head and hang them up all over town? when your done you can do Bnei Brak, Ashdod, Arad, Chatzor, Kiryat Sefer, Tzfas, Emanuel,

but she was away a whole day with our shared siblings and is still.

the fact that my mother jokingly asked why i didn't go along as another trip by the "dating couple" [we're chassidish so we don't do that] didn't make it any easier. and neither did the fact that in the same breath she told me that she is turning down ploini's shidduch suggestion for x reason, hey at least there's a reaason!

but as you can see my spirits are basically up and that's the main tool, also i couldn't fall asleep last night until 3 am and was out of bed by 8 so i'm practically falling asleep and i plan to go to sleep early tonight

and Beitar, in that order

and my parents are leaving tonight so hopefully tomorrow i'll get the gehinnom away from HER
[i never forget to put that in caps, did i mention that i'm very talented].

anyway i now have a new pshat in the gemara. the gemara asks, matza oh motze? meaning,
which verse is correct? the one that matza isha matza tov. or motze ani es haisha mar
mimaves?

so i think it can be explained as follows, matza is past tense while motze is present tense, when
its all past you, the whole shidduchim "parsha" and you're happily married, then its matza tov.
but when its "motze" you're in the process of searching, then its mar mimaves!
