Unfortunately no im not done I am trying, so i hope im trying enough and giving it a good effort

I just remembered what Shlomo once told me instead of praying for kedusha pray for a change of character cuz "the man i was drank and the man i was will drink again" so i changed my prayer to midos tovos May Hashem help me Shalom yidden

try to pray for how you can change your character, for what you can DO, and not just for "a change of character"
