

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Uri,

You really underestimate your powers if at a time like this that you are so frustrated, you can even put up a new thread like this one.

Chazak V'Emutz!

This thread is a great idea. I wonder if there's a way to alert everyone at the same time. Right now there's a lot of guys on line but they don't know to check here. If there could be some way to alert everone in case of emergency it would be great.

Gevaldig!

L'An Ata Holeich

That name on its own should keep you safe.

Hold on tight.

Uri shook me up now.

Please stay strong for us if not for yourself.
