

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Hi, just read a few pages of this thread. Is this the unofficial page to go when people are sinking?

i have a very strong urge right now. if i didnt have a filter i know exactly what i would be doing. im listening to (jewish) music right now. sometimes it helps me. but idk how long ill be able to controll myself today. i know that if i need to leave my house or if i have any oppurtunity to look at anything inappropriate or even if it is "appropriate" i would have a hard time controlling myself. im trying to push. just typeing has already helped me. but chizzuk would be helpful.

p.s. would this post be something to put in the "im about to fall" section?

i just copy pasted this from my thread....i typed it within 10 min ago.

Hi all -- just checking in to be part of this choshuve oilam. We are all in this together, and it is only tzuzamen that we can win this war. Ish el reiehu yoimar chazak! Although we can't see or hear each other, we must feel that we are sitting (perhaps dancing, singing, learning...) together as a chaburah. Everybody here knows on some level the grave dangers of the internet, unlike outside where many act naive as if the problem doesn't exist. Rabbosai, ain aputropes le'arayos, therefore NOBODY is safe from this enemy. Personally, I have one of my longest clean streaks going as far back as I can remember, in large part due to GYE and its valiant efforts on behalf of the kedusha of Klal Yisroel. My bracha to GYE is that you continue to grow leaps and bounds to return kedusha to the masses of yidden in all parts of the globe. And in

Dear HS,

Yearning to hear b'suros tovos!

Filters are essential, but they can only do so much. Do you have any safeguards in place that would provide serious consequences for falling, such as the Taphsic method?
