

I'm about to FALL!!

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

What steps are you taking so far to change your inner environment?

Or are you just "fighting off the yetzer hora"? Holding your breath?

Yair,

if you were in middle of the park with hundreds of people around you, would the temptation to fall be the same?

I survived as well (I'm finishing day 14)

think about what Dov asked you. Are you just holding your breath.

If you don't stay under water, you won't have to hold your breath.

What can you do to change your environment? There has to be something that's in your control that you can do before he YH becomes to unbearable. Stop trying to fight black belt matches. If you don't show up he won't beat you

Here's a loopy idea, pretend you fell and do whatever you do after falling (mikva, tikunklalli, talk to H' v,oid, v,oid)

and pretend your doing tshuva now with a fresh start.

I always feel it's easier to have clean days early on when yer all riled up against the nastydog Yetser, so instead of falling and THEN getting all nisorer, just pretend you did and get nisorer!

as Mattithias Kohen Gadol said to Judah Makabee and his 4 brothers, Rak Hazak V'Amatz!
