

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

I don't know about you guys, but when I was in school, we used frogs *that had already died before we started*.

"Analyzing quotes about analyzing humor is like dissecting a frog. Few people are interested and the frog is already dead anyway"

In all fairness, we also dissected gemaras, at least on occasion, in high school, although I have to admit that science lab was more interesting than gemara some days.

Moish, I'd be happy to give you Maftir Yonah, but only if you could afford it. It goes for big bucks pounds.

First of all well done for posting here rather than just going and acting out. That shows the commitment and determination which is crucial in this.

Now breathe. Deeply. Take a few minutes and relax. Ask Hashem to get you through it, just today.

I don't have any chizuk to offer you, but this thread was started by a "troubled-bochur" named Uri several years ago. I don't know what you are battling, but if you look back and read some of his old posts you will see that he struggled with more things than most people here or anywhere. He also had the most beautiful soul that shined through all over the place. He's not around this forum anymore but his posts should provide you with all the chizuk you could ever want.

By the way he from what I hear, is now a regular member of Klal Yisroel and has put all this behind him.

thanks me3

I just want to make one edit perhaps

he, and all of us, are all regular members of klal yisroel, whether we are not yet recovering, whether we are in the process, or whether we have recovered.

God loves us just the same.
