

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

lamed vavnik, we all know exactly how you suffer so we can't look down at you...that being said, bards is right, youve got to recognize that youre being pulled by the ear by this addiction..it is your addiction that you should look down upon in disgust..there is nothing in those 0s and 1s that will benefit you...you will only be dragged further down this tunnel you hate...please know that if you fall it will take you all of .9 seconds to regret it...stand tall..you took some punches but keep your legs and keep swinging...rosh hashana is here and thats when the bell rings...

Listen to some music, say Uri's songs? Besides being good, it will take up some time. Also why dont you go to selichos early? say a little bit of Tehillim (Did you say todays yet?)
