

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Bh I was able to push through and not fall

Hi everyone

I am embarrassed to say that I fell last night. I masturbated multiple times and watched shmutz on YouTube. And all this while my wife was sleeping in the room.

Need some Chizuk. Beyond drained from a very stressful day! All I wanna do is use my pacifier.. to calm me down! My brain is screaming. I'm feeling done and exhausted! I love this place and figured I'll reach out! Why not become somewhat vulnerable It's good to be on that side here too sometimes! Love and chizuk is welcome! :-)))))) - drainedandemotional.

I wish I could give love and chizuk through the internet, but I really don't know how to. I can tell you that you should call the GYE hotline, they have recordings of people speaking very compassionately and gently specifically for when you're facing an urge or when you're just to exhausted to fight. I think you'll like to hear them.

And don't forget to call with *67 before the dialing the GYE hotline to remain anonymous, if you didn't know already.

We are here to catch you and you're not gonna fall. If you are exhausted go to sleep and you will wake up refreshed. If you can't sleep put on some good music.

=====

Without *67 you might be in deep trouble, as if GYE is out to get you

Hashem has granted me cleanliness for a long time. But today I am lonely. It's the hardest it's been in a while. The urge is very strong right now. Is anyone else online now to talk?

It's the middle of the night and I can't sleep. Improper thoughts are entering my mind. Any of my brothers out there right now?

NMI36
