

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

MAYBE WE COULD SET UP A SUNDAY CHAT ON THE TELEPHONE. IF SOMEONE IS
WEAK THEY CAN CALL IN. I BELIEVE SUNDAY IS VERY HARD FOR MANY PEOPLE
HERE. LIKE A LIVE CHAT ON THE PHONE WITH A SPECIAL NUMBER. FOR THE OILAM
TO CALL IN AND HELP EACH OTHER!

i fell .

This thread is called "I'm about to FALL!!". If you fell already, you are even better off than someone who's about to fall. Now you can get up, dust yourself off and see where you slipped. Don't look where you fell, look where you started slipping - and learn from it for next time.

I'm very sorry, L"V.

If you need it, allow yourself a few minutes to grieve, but not more than an hour. Then pick yourself up quickly. We need you here in the frontlines!

ok . i'm sorry i was in a hurry b/f. i looked but i didn't act out yet .

i haven't fallen completely ,at least not in my book. i had access to a computer w/ open internet and saw some pretty bad pictures . really bad .worse than i 've seen in a long time. i tried to see movies . pictures aren't enuf for me any more .didn't work . thank G-d. i 've been so good for a while and i was really starting to feel better , cleaner. when i first turned it on i didn't like it at all . but i kept going anyway . it was a very wierd experience . i wanted it and i didn't . i was attracted and repulsed at the same time. only afterward did the taivah start building .now i'm pretty bad and hoping i can get thru it.
