

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

I know I am new around here but please allow me to jump right in.

I Almost Fell!!!!

Although going strong for 28 days now I almost just lost it due to "a regular everyday news story". As I was logging on to my email account there was a story about a controversial picture on the front cover of a magazine. Out of habit I clicked on it, but soon came to my senses

before going down the slippery slope. The *Y"H* is amazing, somehow he was able to handpick Senator McCain's running mate. **Just think for a second how much time, effort, and months in planning he put into getting me back on board. WOW!!!!.**

*B"H* Although I came close to throwing in the towel (I believe this was my closet call), I am glad and lucky that *Hashem* is on my side and I was able to walk away.

Thank you,

Kudos to you moshew. Im sure it wasnt easy. These are the crazy ways of the *Y"H*. Baruch Hashem you see it this way. Not everyone realizes it. Keep it going. Hatzlacha.

Good for you MosheW, that story is a great lesson for everyone, we must never give in to the *Y"H* even a drop, because we all know it doesn't end with one click.

Sorry to hear that Luria.

Perhaps its time to reread the handbooks?

Are you part of Dovid chaims calls, or maybe Boruchs?

Lets see what we can help you set up before the next wave tries to wash you out to sea.

Sorry to hear about your fall luria. But please dont give up. We all lose battles so we can win the war. You gotta jst brush yourself off and keep on trucking. Look for the reasons why you fell and try to be more aware of them next time. I try to study my patterns although i dont always have a logical reason behind them. Like my monday thing. Dont know why but i just notice i fill alot on mondays. So i try to take extra caution. Today was and is really hard but im trying to make it through. Please get back to us and let us know your all right. We love you man. For always and
