

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

We love you too, Luria. The rest of today is worth a lot. A lot of good can happen in a short time. Then there's tomorrow. Say Adon Olam. Maybe you'll have less fear, as I do when I say it, especially in my own words. Fear is a real nasty killer.

Thanks for sharing your trouble with us, too.

zoreaa tzedakos =matzmiach yeshuos

you took the time to respond to a Yid in need

2 things actually 3

1 you never know when the chizzuk will work ,but it will eventually

2 you can't imagine the nachas ruach that Hashem has from Yidden helping one another

3 we need to "DO" we need not to "ACCOMPLISH"

now boys "KEEP ON TRUCKIN'!!!!!!!!!!!!!!

I'm drunk.

On life.

It's been a long time.

Haven't slept in 36 hours. Been davening at home. Wife thinks I'm nuts. Wife is right.

As usual...

Red bull...

Reggae playing in my ears...

Something is cracking...

I am finishing a bit of a magnum opus on Bava Basra...

and it's a beauty...

this thing called Torah..

apparently, it's real...

God.... you know, when the deep clouds

dissolve into

dust

and you let it rain on you

you and cassius bare your chest to the storm

and you tempt the powers that be

and laugh...

something cracked...

I can't stop perfecting it...

writing...

red bull...

something is cracking... a good thing , I think...

I'm in a place... it feels almost like life... I don't want to go to sleep... I don't want to go anywhere

L'chaim...
