

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

OK, my CD finished and it seems that all is quiet on the Western Front for now, so I'll try to go to sleep.

I hope he gets her pregnant with triplets. That's a LOT of child support ;D

I know. But my parents pay the rent so it'll have to be about the same price. And I don't really want to be like "Um, so like I need to move cuz my roommate keeps bringing this girl over and they make jungle noises at night so I can't sleep, especially because I'm a hopeless porn addict. blaaaa that was sooo fa uri type... :
Hope you understand.

BTW I survived the night.

I'm going to have a talk with him in which I will make it clear that if he doesn't respect me and keeps bringing this slut over, then I will move out without telling anyone and I will leave them responsible for my part of the rent. I can do that because I never signed anything (the whole arrangement is shady to begin with).

Oh, and if he does then I'll make sure to throw her out on the street in the middle of the freezing night regardless of what she's wearing. Gotta show that I'm serious, you know. Then he'll get all upset so I'll just smash his face in with her whore-boots.

OK, so it probably won't happen that way, but a man can dream, can't he?
