

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

anyone there? I am having urges to look at P**n. In a few days my wife will be Mutar to me but until then, "I say why not?" Just to get me through this rough patch. i know that it can lead to other stuff , but , you know, who cares. i need to satisfy the beast. I am holding out. Trying to take one day at a time. Any encouraging words will help.

DANGER:Don't let go of your caution mode mindset!!

There are a few board members who are having a very hard time at the moment, and we know that when one jew strengthens himself - it gives all other jews strength, **especially** those sharing similar battles, and **double especially** those close to him. We really need someone to step up we have a lot of our brothers in danger!! Please be that tzaddik!!

HATZALAS NEFASHOS!!!

Giving is very important. Try reading other peoples posts and try and give them good advice. I do this and I find that it helps in moderation. If I try to help it helps me but if I get too involved it can pull me down.

Also don't think about the fact you feel weak. Pick something to focus on and just let yourself get lost in that thing.

REMEMBER WE ARE WORRIED ABOUT YOU!

Don't give up!!! I just came on this thread to post something similar. I am feeling very weak at the moment. Plus I have this huge headache which for some reason I think will go away if I just give in. :-[

YOU CAN DO IT!!!!!!!!!!!!

I guess try to think about how bad you'll feel - thats what I'm trying to do (although it isn't working that well). :-[
