

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

i'm this close to falling . i'm all alone and slowly dying. last nite after my big chat , i tried, unsuccessfully, BH' , to call dirty #s . i hate myself. then i tried, unsuccessfully, BH', to reconnect to open internet. i have done nothing but listen to a stupid tease intro of those phone lines(which is not great either.) and make myslef feel really stupid and weak . i'm dying to listen to a wall and draw my own porn .

I HAVE NOT, HOWEVER , ACTED OUT ,OR DONE ANYTHING (YET) TO BREAK MY DAYS ON THE CHART .I THINK THAT IS THE ONLY THING KEEPING ME GOING . I cant leave my house for technical reasons which i cant change now .

i'm going down.

Mabe if you call one of those messed up wrinkly old men ones it will help "take the bottom off" your urges.

Dude, you are NOT going down - we're all here for you!

Let's figure out something you can do, right now, for a change of pace - even in your house, there's GOT to be options!

Do you have anything to read or look at that is Parve? Do you fallow sports? Do you have other interests?

In two weeks times would you rather have fallen or stayed strong? If you had urges two weeks ago and stayed strong do you now regret that dearly? What about a year ago. Do you regret that you stayed strong at some moment of temptation?

Hang in There 36nik!!!

Think about how low down that YH is, he's got you to the point where you are calling dirty #'s just for the intro!!

Don't let that mushchis menuval take control of your life, YOU ARE THE BOSS!!!

Now go tell that to the YH, that's right, get up and shout out, I"M THE BOSS HERE!!!!

I don't know if that's a very good idea.

Maybe "You can't do anything to me without H-shem's permission, and when I trust in him - he won't give you permission..."

I have not had the best results with telling him "I'm boss".

I guess you could think it though...
