

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

As happy as we are that the next guy has bracha in his life,
the pained part of our neshama says 'not fair'.

Especially regarding something as important as marriage.

We have a few choices:

Too focus on his marrriage (great) and know nothing about his chinuch banim pain, financial hardships or medical issues.

To focus on *our* marriage (not great) instead of on our great kids, adequate parnossa and good health,

Or to *refocus* on ours, trying to improve *ourselves* and hopefully bringing our marriage skills up with us.

I know; talk is easy.

May Hashem help you build a happy, fulfilling, bayis neeman b'yisrael.

Would it make it any better if we told you about the not-so-pleasant parts of our marriages?

The people who talk about how perfect and easy marriage is...sometimes I get suspicious...

But that's not the point. You have your work cut out for you, and it may not be easy, but you're *doing* it! And that's worth feeling proud about.
