

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Hehe bet when you saw this thread at the top of the list of latest unread posts you said to yourself "OMG let me go help Yiddle." Well baruch Hashem you are wrong. I am not in need of SOS help. And no this not an Adar trick. I would like to point out that basically ever since this thread went to the "important threads", it has virtually become non existant. And the reason is not because people arent falling. I propose we send this back to the top of the Break Free thread, where people can access it if they need it in a hurry.

And what the :

Hey SE,

First of all, bold move making the first step coming onto this thread. Kudos for that. With regard to your TV issue. I had a similar problem. I was never addicted to it but I would watch alot and knew I didnt really want to (even though I wasnt watching 'bad' stuff. [like there's any 'good' stuff on TV anyways :)) But I decided about 3 weeks ago that I dont wanto to watch TV anymore and baruch Hahsem I havent watched since then. Youre probably thinking "Cmon Yiddle, youre in Yeshiva and there's no Tv there!" Trust me theres no shortage of TV here or when I go home for Shabbos. Those things you mention are very bad for your health. They all take your brain over and inject into whatever they want to put on the screen. there aint nothing you can do to stop a bad image from popping into your head if your looking at a screen. I think there's more to the term '\_\_\_\_\_ Tube' ( I blotted it out for triggering purposes. If you dont get it, then youre in a holy place) then people realize. Try to minimize your TV intake if you really cant stop altogether. fill your time with something else. It doesnt even have to be a sefer or a shiur. How about just lay on your bed and think about something. Stimulate your mind. TV is the anti mind stimulating activity.

I used to be addicted to TV, watching regular programming as much as I could, and never getting around to anything...even food! I could starve to death watching TV!! Then this was replaced by video games, and now I have revisited this addiction with blogging on GYE (only). Guard knocked some sence into me, and it has worked wonders. For the first time in weeks I have actualy read peoples troubles and written long responses, They are also pretty kedai to read!

But what do you guys say? am I a dry addict, looking for an "electronic fix" or am I an SA, who's addiction is to S\_\_ of a form (in my case only p\_\_ and formerly hz"l).

ANd chizuk would be mucch appreciated. nafka mina, starting shidduchim without a clean streak per-se (only a few falls, during big nissyonos). I am starting to feel that I'm not an addict, but rather a former addict, with a below average Y"H. and my former habits bring me to choose p\_\_ as my outlet.
