

I'm about to FALL!!

Posted by jerusalemsexaddict - 13 Aug 2009 21:26

Allright so as everyone here knows,we on the site often here desperate "call-outs" from people who feel that they are about to fall any minute.Sometimes the emergency units don't have enough time to respond to put out the fire,or are simply unaware of the emergency.

In any case,I am declaring this guardyoueyes's official 911 switchboard.

If there's an emergency of any sort,even a chashash,post here IMMEDIATELY!And well come to your rescue as soon as possible,iy'h.

You can post your emergency here,or give us a link to your thread where you can speak about your emergency.And our volunteers will respond as soon as possible to your calls.

As some people might feel uncomfortable reading women's struggles,I am putting one in the women's section,and whoever feels safe creeping over to the other side of the mechitzah is welcome to go in thereand help.

Wishing everyone the best-Uri

Distress call- I am about to be home alone and I feel HUGE urges to sin. Bards will tell me to do nothing I am doing that but even that might not be enough.

Stick to the forum.

How about choosing a person you admire & reading through all his posts. You can find it quite interesting reading through his ups & his down. You well get chizuk out of it too. Alternatively, pick one of the old threads & go through that. The posts of a year ago were interesting too.

Holy Yid

Get away from that computer

For just 15 minutes

Go buy a soda

Go to a store

Go for a walk

Do anything!!

Something fun

Something meaningful

Forget if its a addiction or lust

DO something

That will make another person smile

Be a giver

A doer

A "macher"

A "knocker"

Do anything

Just get away from the computer

For 15 minutes

Gevaldigggggggg

It's the new bouncer he hired a few weeks ago. The Rebbe sold him with the chometz & now he is having a hard time getting him to come back. The job is too boring. [Nobody is getting kicked out :-[]

Still shaky.

Just took a shower. Didn't help.

Might take a drive. But I'm likely to be heading over to such and such a place if I start driving.

Comedy is usually a good distraction. Or music. Or maybe a Torah lecture and there is a big one in town tonight. Right now.

Hmmnn. Torah/Fall. Torah/Fall. Torah/Fall. Why does this even seem like a choice?

Argh.

Please PM and I'll give my google voice number.
