The positive side:

Music brings people together

Music stimulates and arouses our nervous system

Music brings back positive memories

The negative side:

kol isha

prohibited thoughts

Songs of Passion

--

Bottom line listen to Jewish music!

Please comment any thoughts ...

positive side:

old melodies can bring us closer to hashem

can strenghten us against challanges

can bring spiritual tears

negative side:

can be very addictive

can switch off our thinking powers & put us in automatic

can make you behave like a rap rap fan

can make witty jokes of the most serious issues
