

Addicted to the Guard Your Eyes website

Posted by newlife - 31 Oct 2011 02:07

I'm so hooked on this website. I'm on day 13 of 90 and day 13 of joining the forum. Is this good or bad? And I know most of you will say "better than being hooked on other things". Anyhow I thought its an interesting topic.

My Truck was found so was your truck.

Now **My karmas are gone** on my iPhone, and so has everyone else's

And even on my PC I can't access any users personal page anymore, eg when I want to read someone's posts and click on his name, his page has dis-appeared

Can someone please help me with my addiction

I just read our leader the.guard's comments [HERE](#) about all his updates he regularly does for

me and you - I'm astounded!!

And there's no thank you button on that thread!?!?!?

So I'll have do it here
