little hard to read.) but agree that the word "guard" is a

=====

~~Maybe~~ the hands should be **over** the eye, like peek-a-boo

Honestly?

I'd like to see a more intriguing, engaging, curiosity-provoking illustration.

I am generally not a fan of hard to read fonts, but I'm also not a great person to ask about graphic design. I see that others don't like the font, so I'll add my voice to the choir.

I'd like to see a more intriguing, engaging, curiosity-provoking illustration.

The hands are "guarding" and "protecting" the eye, and they also symbolize support, as they support the eye...

As usual, I am following closely behind my dear friend **ZemirosShabbos**:

I like the symbol too!

How about an animated logo in which the top hand moves over the eye to cover it while the bottom hand supports it?

An animated logo may be harder & take longer to load for some users....
