

Idea

I had an idea for GYE to set one day in the near future to be "a day of holiness." It will be one day where everyone will work extra hard not to lust or at least act out. I don't think it will be so hard if we know everyone else is counting on us. I also think it will teach us how easy living one day at a time can be, and that we CAN get through one day, and if we can get through one day, why not the next day. GYE can send out emails promoting it to the chizuk list and also to everyone else to spread awareness about GYE.

Thoughts?
