Shomaim News Report - Simche Section

I promised Breaking news & here it is.

It may be more exciting to me then to anyone else, so sorry if I got anyone over excited & all they got was this.

I Thank Hashem from the bottom of my heart with so much Joy,

For giving me just now a new & holy Neshome, such a cute little Boy.

Hashem has given me a gift for my 90 days Clean,

What a hug, if you know what I Mean.

I wish you all many simches & hugs from Hashem Above,

When you get that hug, only then will you know the meaning of Love.

I ask Hashem to give this little boy the Power to Fight,

To make everything wrong in this world, Right.

To Everyone in the USA Good Night,

And to all of you in the Holy land, Good Morning, & let there be Lite!

Mazal Tov!

E.L.

IDF soldiers went on high alert this morning in the Beit Lechem area.

Unidentified thundering was heard accompanied by the ground shaking and lightening flashing.

THE

SKIES

WERE

PERFECTLY

CLEAR.

7Up went to Kever Rochel today for the first time in about 15 years (boy has it changed from the
)

I davened for everyone I could think of on GYE, and asked Hashem to add in the rest, including those who should be here but arent.

Mama Rochel was sitting at His feet throughout and her sobbing was later identified as the

source of the area commotion.

That's funny. My wife and kids went to Kever Rachel too this morning, for the first time in like 15 years!! You missed them by one day. Oh Well...
Were coming home soon my friends. He promised

AAAAAAAAAAAAAGH!

You know how much I want to meet her someday. Oof

15 years.....

Were you people being serious?

Was there last pesach. Wish I can go back. But seriously, there are buses all the time. Do most ppl over there taake not go often? How is it possible to resist?

You can get there now with the car so I am sure more people will go.

I got to Mama Rochel with a friend from America who had a car. So quick and easy that way.
Wow.

Buses are great, but need to be well organized to get there and back before the kids get home
at 1pm. Real life sometimes gets in the way of real life; know what I mean?!

The Achdus (unity) on GYE is growing stronger every day.

The latest greatest show of achdus can be found in Habib's thread as Rage shows his selflessness & starts at day one on the 90 day wall of honor after previously already reaching 72 days clean & gave it up for Habib so they can fight it together all the way to 90.

"Tovim Hasnaim Min HoEchod"

Checkout the thread as the details get more exciting as it happens.
