Shomaim News Report - Simche Section

I promised Breaking news & here it is.

It may be more exciting to me then to anyone else, so sorry if I got anyone over excited & all they got was this.

I Thank Hashem from the bottom of my heart with so much Joy,

For giving me just now a new & holy Neshome, such a cute little Boy.

Hashem has given me a gift for my 90 days Clean,

What a hug, if you know what I Mean.

I wish you all many simches & hugs from Hashem Above,

When you get that hug, only then will you know the meaning of Love.

I ask Hashem to give this little boy the Power to Fight,

To make everything wrong in this world, Right.

To Everyone in the USA Good Night,

And to all of you in the Holy land, Good Morning, & let there be Lite!

Mazal Tov!

E.L.

I was there last rosh hashono yom kipur and right after shevuois again.

I love the place. That's our real home and I feel it.

You will get there one day as long as u don't give up.

I just wish I knew how to help u.

But I don't.

Its deep hurt feelings that come out at night or when ur down.

And u can't see urslef going for help because ur really so normal during the day when u don't focus on the pain deep down.

But sooner or later u will have to deal with it because it will always haunt u If u don't.

I wish it wasn't the way I put it but it is and u know it.

Im nt the type that think going to therapists means ur crasy. Actually I wished all those years I was growing up for at least one listening ear. A therapist. anyone. And if this stupid world wudn b so crasy , theyd see it. I was the happiest go lucky onthe outside. They just had to look one level beneath all that. I cant blame them. I put on a good act. but someone experienced wuda seen through it all. IYH , when I'll get better, and beome the person I wanna be, Ill make sure this never happens to anyone again.

About the therapist, im jst having a hard time finding one, that can help deal with the issues I have at home and is also experienced with addiction . Which is only the result. If u have any ideas..

To many carlabach songs I like to list them here.

thx for reminding me though

There's a lot about his difrent stages in his voice I love em all. Just about. And his stories tops everything he's got.

Gad, hmmm??!

Nope I don't like him or his music. Its too something.

I love the song he sang with his fahter way back when called aba, ani yodeika mah zeh kashe, lachzor bitshuvah.

I love chaim moshe thou malachim hakdoshim and all his stuff as well as lehavdil ayal golan.

I get wat ur sayin bout gad, but his songs really pull me. Theres like this real raw emotion in every one of them. Forget about how he sings em. Have u herd 'ani kechli' that I posted? that chorus makes me cry like no other. 'as long as my neshoma is in me , i want to serve you...'. Its his desire n emotion that he puts into a song that touches mine. Fine, I x chap y i care if u understand.

wateva. and carblach stories r gold....

Maybe its that raw emotion that I don't like but I haveto admit I didn't hear that song and he might be gr8 on that one. I was just saying in general
