Shomaim News Report - Simche Section

I promised Breaking news & here it is.

It may be more exciting to me then to anyone else, so sorry if I got anyone over excited & all they got was this.

I Thank Hashem from the bottom of my heart with so much Joy,

For giving me just now a new & holy Neshome, such a cute little Boy.

Hashem has given me a gift for my 90 days Clean,

What a hug, if you know what I Mean.

I wish you all many simches & hugs from Hashem Above,

When you get that hug, only then will you know the meaning of Love.

I ask Hashem to give this little boy the Power to Fight,

To make everything wrong in this world, Right.

To Everyone in the USA Good Night,

And to all of you in the Holy land, Good Morning, & let there be Lite!

Mazal Tov!

Shomaim News Report - "**Headlines**"

The Malochim in Shomaim are trembling!

You might think it's because of ELUL. Well that too, but they are trembling because GYE lost (hopefully for short term only) some of their top Commandos.

At the top of the list they lost the Mother & Rebbitzen of the Forum "7Up".

The Cries from her daughters & friends where heard Aad Lev HaShomaim.

One (from out of GYE town) might ask, Hey! What's the big deal?! they have Parents!

But they don't understand that their real parents don't know their own daughters as 7up did.

Their own parents can't help them even if they wanted to, as much as 7up did.

But the good news is that as always, Hashem has a Grand Plan which is best for us & if we just have a little patients we will see & understand what good has come out of this (hopefully short) loss, for us and for 7up who I'm sure would love to still be with us at this time but is following Daas Torah as what Hadrocho to take in life.

Then we have this Holy Soul Uri, who was and is a precious asset to GYE as well who did what is the Rotsoin Hashem & Back in Yeshive now is missed tons by the GYE Family.

So as much as they are missed, we have tons of talent & Holy neshomos still on board.

Maybe it's a Heavenly sign that it's time for others to shine their inner beauty out on the forum to fill the void.

I have a feeling that tomorrows headlines will read (even thou I will probably be out for the day)

"GYE Members Suprise The Heavens"

Even after yesterdays news, they are up & running into Rosh Chodesh Elul full force.....

Gut Shabbos
