

Am I addicted?

Posted by Eishhatorah - 20 May 2012 15:45

I had a hard time with masturbation but I realized that I can go a week or two with out it when I fall its usually with porn but somtimes when I "feel" chashiv I dont go on porn, I tried the 90 days but can only do two weeks... I even signed up for the chizuk emails so I wanna ask am I addicted?

Nobody can tell you whether you are addicted or not.

Based on what you posted , it does sound kinda like addictive behavior to me, though. That is exactly what many of my sex addict friends do!

Why don't you see the Twenty Questions that are attached to this post & based on how many you answer YES to, you will decide for yourself...
