38 days.

i think if i won't fall 'til at least rosh haShone I might have a clean-days-streak equal to the cumulative number of falls this year.

not sure if it has any chashivus... but let's try.

Every clean day has Chashivus Bifnei Atzmo. And anything that motivates you to stay strong is GOOD.

15 days

Working on today.

I need to take it one min at a time for the rest of the day. I'm sensing that lusting feeling snaking up on me really strong from the time I left work. So some chizuk would be nice. Or maybe I just need to do something busy and productive
