its 18 days and so far an incredible record and achievement

the last few days ive been white knuckling because the 12 step program is based on a personal rltshp with hashem and over the last few days ive been dealing with sfeikus in emunah....btw its my 20th birthday to day so mazel tov and since i have special power on a bithday to give broichos i wish a sober meaningful year for all gye!!!

i heard today that it says in seforim thar the curses in the sedrah really are incredibly high brochos but if we behave then they come as they are above and if we dont they come done practically as curses but even when they come down negatively betzem there still brochos...

54 days so far.

@Dov: thanks for reminding me :D

@Gevura: hey gevura, how are YOU ??

p.s. its interesting, that right now i feel very happy and calm etc. and i dont understand what would i need lust/sex(?) for (with "need" i mean "NEAD!!!!!!", avaday its quite enjoyable).

BUT SOME TIMES, i feel (not in last 54 days..) that if i won't get some of IT i won't feel happy.

strange, no?

For one thing, you need to stop posting so much. As long as your posting average is more than 1 per day you'll never catch up!!
