

Break Free -DON'T BRAKE (just KOT)

Posted by The Official GYE Bardiche - 09 Aug 2012 09:06

Somescore months ago, there burst upon the firmament of GYE a meteor of light and hope named bardichev. With swashbuckling and captivating prose he captured hearts across the spectrum of forumizers. Alas, he has moved on but the light of his paradise lives on...

This is an effort to warm ourselves at his Humble and Happy™ fire and benefit others as well:

We hope to post a Daily Dose of Bards, to be updated, well, daily. As the saying goes; "A Bardifact a day keeps the triggers away".

Thanks TZ and keep it up.

This may or may not be the thread for the following: You know you're on GYE for a while whan you pick up a Kedushas Levi in shul and you tell your neighbor, "Oh the Heiliger Barditchever - I know him from... Never mind!"

NOT YOUR PROBLEM

[40004 wrote on 09 Mar 2010 02:16:](#)

She is a "problem"

But but she is not my "problem"

This is an effective attitude

When a person sees someone very triggering it is many times the YH who asks all the right questions

How does this woman dress that way?

Who is her husband?

Why are woman dressing like this?

All this comes from the YH. Hewants to keep the woman alive in your mind

So ignore ignore ignore

She is not my wife forgetaboutheRrrr

(you need to read the whole thing)

BARDICHEV FELL!!

YES YOU READ RIGHT!!!

I AM HAPPY (BUT NOT PROUD) TO HONESTLY REPOT TO YOU THAT I FELL!!

YES A FEW DAYS SHY OF BEING A YEAR CLEAN

AND ALL THE MONSTERS CAME OUT OF THE CLOSET AND

SURROUNDED THE GOOD TRUCK "GEVALDIGG" AND BOOM

I FELL TO THE WEAKNESS AND SILLINES OF MY TEMTATIONS

I WAS TOTALLY USURPED OF ALL THE CHIZZUK I GOT AND GIVE

IT WAS MY AND MY YH DANCING IN GEHONNOM FOR A WHILE

OY DID HE GIVE ME A RIDE

SO WHY AM I HAPPY??

MAYBE I AM CRAZY??

NO WAY I AM REALLY HAPPY I FEEL BETTER THAN I FELT IN A LONG TIME

BUT WHY BARDS EXPLAIN THIS TO ME IT SOUNDS NUTTY??

OK LISTEN UP

I AM NOT LINDSEY VONN!!

WE KNOW THAT BARDS YOU ARE A CHASSIDSH TRUCK DRIVER AND SHE IS A WORLD CLASS DOWNHILL SKIER

I AM BARDICHEV BUT HASHEM KNOWS WHO I REALLY AM ,EVEN THOUGH MAYBE I
REALLY AM BARDICHEV)

Why do I find this so hilarious?

Maybe because all addicts have a split personality complex? Hmm...
