My Neturei Karta neighbor's alarm clock is ringing and the muslim Ramadan ruckus just started, you think he's going to the mosque?

So, I assume the nature karta neighbors and the moslems you are referring to are NOT married?

I guess this thread is not for me. Oh well...

Maybe it should be password protected, so that the BB's can't read what the B's are discussing. (Maybe one BB mashgiach should be allowed on the thread?)

Anyhow, hatzlacha
