

How Is Your Day Going? "The Next Generation HI"

Posted by Shteeble - 18 Oct 2012 16:13

What is the purpose of this Thread?

Similar to the "just wanted to say Hi" thread, it's purpose is for friends to be able to stay in touch (at least at a very basic level).

I often come to the forum to pull myself out of a low mood and save myself from acting out.

Unfortunately, sometimes the forum is just too quiet, and the spiritual lift I was looking for is not to be found.

These threads are easy to post on (they don't cause finger fatigue or carpal tunnel syndrome), and help make some noise amongst all the quiet.

Seeing a quick hi from a friend can be enough to lift my spirits and save me from trouble.

INSTRUCTIONS FOR THIS THREAD:

To make things easy for you, and in the spirit of 2 character gye posting, all you need to do is type a number from one to ten.

ten means you're having the best day of your life.

one means you need help.

Every day is a gift from H'.

Every day is really a million on this scale.

But for the purpose of this thread, we will use HOW THE DAY "FEELS" as the gage.

If you want, you can type more than just a number.

(Special server for this thread... It can handle longer posts.)

Thank you.

P.S. To my dear friend who can't stand when I start a new thread:

not being a math whiz (an understatement) i would like to propose a alternative visual-objective system for rating the day

here goes, from lowest to highest

Skunk spray

Cholent from last week

Expired milk

Eraser dust

Shredded paper

Unsalted rice cake

Tuna sandwich

Fresh cholent

Woodford

Happy and humble king of the mountain

there is a **MASSIVE** gap between unsalted rice cakes and a tuna sandwich

it's like a time warp

(as soon as the seatbelt light is extinguished you can go forward and ask Captain Kirk about it)

thanks for the laughs folks. just for the sake of being a nudnik im gonna point out a few things

many perfumes are made from skunk excretions so skunk spray can be another name for perfume

many cheeses are made from curdled milk

and..... as a yeshiva bachur i would put

Eraser dust

Shredded paper

Unsalted rice cake

BEFORE fresh cholent (at least the stuff they serve in my place)

(and on some days i would put tuna sandwich on the top of the list)
