

How Is Your Day Going? "The Next Generation HI"

What is the purpose of this Thread?

Similar to the "just wanted to say Hi" thread, it's purpose is for friends to be able to stay in touch (at least at a very basic level).

I often come to the forum to pull myself out of a low mood and save myself from acting out.

Unfortunately, sometimes the forum is just too quiet, and the spiritual lift I was looking for is not to be found.

These threads are easy to post on (they don't cause finger fatigue or carpal tunnel syndrome), and help make some noise amongst all the quiet.

Seeing a quick hi from a friend can be enough to lift my spirits and save me from trouble.

### **INSTRUCTIONS FOR THIS THREAD:**

To make things easy for you, and in the spirit of 2 character gye posting, all you need to do is type a number from one to ten.

ten means you're having the best day of your life.

one means you need help.

Every day is a gift from H'.

Every day is really a million on this scale.

But for the purpose of this thread, we will use HOW THE DAY "FEELS" as the gage.

If you want, you can type more than just a number.

(Special server for this thread... It can handle longer posts.)

Thank you.

P.S. To my dear friend who can't stand when I start a new thread:

I had to go somewhere yesterday that was foreign to me and I knew there would be a ton of provocative women there and I would not be able to look down all the time because I needed to look where I was going as it was totally new to me. I prepared myself for the battle and did not make too much of a fuss I tried concentrating on what needed to be done and where I had to go, any women who went past just looked like a pole as I kept my mind uncluttered and focused on the job. The best feeling for me was when I got home I said I will test if I did well. I closed my eyes, tried remembering if I saw anything or if I remember any attractive sight, and thank Hashem there was none. So, a major win for me.

Thank You Hashem for getting me this far successfully and please help me in the future to battle this out and come out the other side stronger and better.

How many poles does it take to trigger you?

Well, depends what kind of poles you're lookin' at.
