

How Is Your Day Going? "The Next Generation HI"

Posted by Shteeble - 18 Oct 2012 16:13

What is the purpose of this Thread?

Similar to the "just wanted to say Hi" thread, it's purpose is for friends to be able to stay in touch (at least at a very basic level).

I often come to the forum to pull myself out of a low mood and save myself from acting out.

Unfortunately, sometimes the forum is just too quiet, and the spiritual lift I was looking for is not to be found.

These threads are easy to post on (they don't cause finger fatigue or carpal tunnel syndrome), and help make some noise amongst all the quiet.

Seeing a quick hi from a friend can be enough to lift my spirits and save me from trouble.

INSTRUCTIONS FOR THIS THREAD:

To make things easy for you, and in the spirit of 2 character gye posting, all you need to do is type a number from one to ten.

ten means you're having the best day of your life.

one means you need help.

Every day is a gift from H'.

Every day is really a million on this scale.

But for the purpose of this thread, we will use HOW THE DAY "FEELS" as the gage.

If you want, you can type more than just a number.

(Special server for this thread... It can handle longer posts.)

Thank you.

P.S. To my dear friend who can't stand when I start a new thread:

10 (I woke up this morning which means that Hashem believes in me)

When I said Modeh Ani Shabbos Morning, something hit me,

I am thankful before you the living King for you have compassionately returned in me my soul

Rabbah Emunasecha!, Your trustworthiness is great!

And it hit me!

like a ton of bricks!

Hashem is Trustworthy!

and he proves it to us every single night!

we would never go to sleep if we knew g-d wouldn't give our souls back!

and yet every night we take the plunge and go to sleep, because g-d proved to us that he's worthy of our trust.

this is something we should think about each morning!

...and realize [first thing in the morning] that, yes! we **can** trust him in other areas as well, trust him to provide us with parnassa, shidduchim, and parking spots!

Just something to think about

What has happened to you guys? Has Guard locked this post because the other "HI" post started by Shteeble <http://www.guardyoureyes.org/forum/index.php?topic=3057.0> has used up half of the servers space?
