

How Is Your Day Going? "The Next Generation HI"

Posted by Shteeble - 18 Oct 2012 16:13

What is the purpose of this Thread?

Similar to the "just wanted to say Hi" thread, it's purpose is for friends to be able to stay in touch (at least at a very basic level).

I often come to the forum to pull myself out of a low mood and save myself from acting out.

Unfortunately, sometimes the forum is just too quiet, and the spiritual lift I was looking for is not to be found.

These threads are easy to post on (they don't cause finger fatigue or carpal tunnel syndrome), and help make some noise amongst all the quiet.

Seeing a quick hi from a friend can be enough to lift my spirits and save me from trouble.

INSTRUCTIONS FOR THIS THREAD:

To make things easy for you, and in the spirit of 2 character gye posting, all you need to do is type a number from one to ten.

ten means you're having the best day of your life.

one means you need help.

Every day is a gift from H'.

Every day is really a million on this scale.

But for the purpose of this thread, we will use HOW THE DAY "FEELS" as the gage.

If you want, you can type more than just a number.

(Special server for this thread... It can handle longer posts.)

Thank you.

P.S. To my dear friend who can't stand when I start a new thread:

Whilst I was dreaming a bit today that old sly guy brought to my mind some really hot sexual scenes I had seen just before my current 25 day record streak. After dreaming about it for a good few seconds I realized what I am thinking about, caught myself and straight away distracted my thoughts which was no easy task. But later on when I went down the street I counterattacked and took care of my eyes even more (I can bet you people were thinking to themselves what does he have on his shoes that he is looking at them the whole time) so feeling excellent!!

Last night had a real challenge

A former trigger showed up at our door

my system started going into automatic pilot and fantasizing

but then my anti-aircraft weapons kicked in

and i actually was able to think about other things instead of fantisizing

so i guess

we could rate that as a 10 !!!!

btw thanks shteebs for this thread

I dont really have a thread to post on anymore

as mine died of old age

but I wanted to post this somewhere

thanks for being here

Me too Shteebes my thread has died but when I want to write my feelings and thoughts I do it here, so thanx!

5 I have been slack the past day in "shmiras eiynayim" I start picking up my head for a split second to see if the coast is clear, something I haven't done for over 26 days!

Hoping to fix my problem quickly. Yitzchok
