

dream

Posted by coby613 - 30 Aug 2009 07:32

yesterday, during my shabbos nap, I think I dreamed that I got on my computer to break shabbos and fall. But my dreams are so vivid and realistic, it could have been real.... just really embarrassed and confused.

Don't we all...

Did you think that in just a few days you'd succeed in completely changing your subconscious

welll...if you put it that way....you're right. i mean, i know i'm smart, but maybe i got too full of myself.

=====

mind?
