

Esav's lust...

Posted by dont give up - 15 Nov 2012 22:53

was reading chumash today (????? ??,?"?), how esav kept his costly garments with his mother, and rashi explaines: ??? ??? ????? ??? ?? ????? ?????? ??? ???, ??? ????? ??? ????????

and a thought came to me;

Esav surely loved and enjoyed the physical bodies of his wives, he had tremendous lust and did whatever he wanted, and mistame he spent a lot of time with them, and they were probably smiling, laughing every time they were together - it was mamash amazing, and yet he did not even trust them with keeping a garment!!

and rashi answers "??? ????? ??? ????????" - he knew exactly what they were enjoying - non of him, the only focus was how they could enjoy themselves, and since there was absolutely no real relationship between them, he knew he couldn't trust them!!

?????" with his mother, although there was no lust at all, but there was a real relationship!

Indeed a beautiful derher. As I said this week to a fellow GYE'er (when he told me a vort of his), the Torah contains many many pshatim, all of which were given to Moshe Rabbeinu on Har Sinai. But many of these pshatim require a GYE type of guy to come up with. People with the 'regular' mindset would never be zocheh to see these hidden messages.

Hatzlacha & Shabbat Shalom
