

5770 count?

Dear Guard,

How about if in addition to personal counts and group counts, the GYE family, as a whole, starts a 5770 or Ta"f Shi"n Ay" in count just in time for Rosh HaShana -- and you launch a special thread for it?

I think it would serve as a major motivator for people to say, "Hey, it's a brand new year, I'm clean, and I'm keeping it this way."

I know that I'm super-psyched to have Rosh HaShana serve as the beginning of the end to my troubles in this area.

Don't you think it would be a great Start Line to look back to?

May we merit to witness the Geulah speedily in our times, Amen!
