Family secret,.... but wait...this *IS* family!

Silly me; I m so excited I cant think straight.

Habib, you just dropped 6 eggs on the floor, and *dont* breath all over the food if you're sick!

I'm doing flower arrangements and veg 'n fruit decorations. I love that stuff. Hmmmm, now if I can just remember how to make a chossen out of cucumbers....

...the kallah is of course belle peppers.

Just a small tip.

put some small chunks of bitter sweet swiss chocolate into the Browne fudge. Yum!

ok, I am tired, but I am not missing this!

I just got back from the makolet with margarine, cocoa, more choc chips, some extra cucumbers (mom...), peppers, etc...

anything else, i dont mind going back again...

if im waiting, though, might be a good idea to get some rest before the party starts...

Efshar, chocolate is a great idea, but not bittersweet. Nothing bitter for our Letakain! As sweet as it gets.

Hear that Sturggle?

And while youre back at the makolet, Im going to need something for the kallahs vegie veil.....hmmmm, turnip! Thats it, please pick up one turnip. and maybe an eggplant for the chossans hat.

Oh yeh, and a bottle of Sprite; Im thirsty from all this work!!!! Dont worry Sturggle; I'll share it with you, you'll also be thirsty with all this running around. You're the best!:D :D

Good girl Habib! I knew you'd get straight to the cleaning. Can always count on you honey!
