Beautiful speech Guard

I never go to parties but I'm not missing this one.

I have to speak to the chosson

He must gently pull those beautiful poems out from his kallah.

the ones not yet said.the ones not yet sung.the ones only you can bring forth.

Chosson,there are certain wonderful poems that only you can bring out from your kallah,the one that is yours, with the poetic singing heart, that sings to Hashem.

This job is your responsibility,but it is also your greatest gift.

keep your heart open and listen.

Mazal Tov- Chosson and Kallah
