

Tcholent Party!

Posted by Avrom - 07 Apr 2013 17:24

The new zman around the corner... I'm wondering if there would be any interest to form a "weekend-group"(On the forum!). Speaking to many yeshiva-guys myself included (yes, i do speak to myself:)) it seems that most falls occur from Thursday night until mozte shabbs. Being that Internet access is restricted in yeshivas.

Even for non-yeshiva guys, there may be some weekend-opportunists , that would be welcome to join.

You would have to update once a week (against the law?-) sharing thoughts and how the week went. I think it would be a major chizuk boost!

If you have any other ideas, please share

well, if the tzad az yeah, is because of your name than it is a shaalah,

but if it is because we are living a double life, than for sure not because you are only allowed to bring with the 2nd one.
