

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

Thank you for putting a smile on my face...well, maybe even a laugh!

Interesting point on the 90-day thing. It's definitely not the end-game, and for many (most? all?) of us here, the journey will continue, one day/hour/minute at a time. And we get to cry through it, laugh through it, live through it.

T'was about 12 hours and the forum blows up. Connectin' flight got delayed as there was an ice storm in anchorage. When we landed, there was another long wait as not all the dogs and sleighs were returned from last weekend. We ended up usin' wolves. Finally back home. Smokin' my pipe on back porch, as Sarah, my next door neighbor, and I are both takin' in the view of Siberia. What the Hell happened here? I will check now.
