Thank you for putting a smile on my face...well, maybe even a laugh!

Interesting point on the 90-day thing. It's definitely not the end-game, and for many (most? all?) of us here, the journey will continue, one day/hour/minute at a time. And we get to cry through it, laugh through it, live through it.

Smilin' is good.

I probably did that once or twice today.

And you can add another smile to my day.

T'was about 12 hours and the forum blows up. Connectin' flight got delayed as there was an i storm in anchorage. When we landed, there was another long wait as not all the dogs and sleighs were returned from last weekend. We ended up usin' wolves. Finally back home. Smokin' my pipe on back porch, as Sarah, my next door neighbor, and I are both takin' in the view of Siberia. What the Hell happened here? I will check now.
