

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

I have to say, Cords, that I appreciate your posts. I know that when I first came on GYE I thought that the guys with a lot of days probably had no problems in their lives and everything was perfect. Even now, I tend to objectify people who have some time. So I think it's a good example for me, and especially for others.

I also know that sometimes I need to share something vulnerable, painful, or explicit and people assume that I'm not doing well. Sometimes I just need to share! I'm a freaking lust addict, I'm going to have some explicit shares sometimes. It doesn't mean that I feel like I'm going to act out every time. This isn't really about Cordnoy, but it's a public forum. Thanks for letting me spew.

i think what deturbs me most is the yada yada yada part probably just the way cords posts ut hope that it's nt the way he feels and prays....otherwise agreed that it is a brutally honest prayer

sorry if i'm so picky

B'hatzlacha

It is actually the way he thinks and prays.

And I he will explain:

This is the third step prayer which I am sure you are aware of. The parenthesis are my thoughts and questions during the recital yesterday of that prayer. Life lately, on my side of the pond, has a lot of suckiness to it, a lot.

Perhaps you or others can answer some of those questions I that cropped up in the middle.

Yada, yada, yada.....in the prayer! it states that victory over them will show thy power, thy love, etc. That is not what I was prayin' for. I was reachin' out to Him in pain. I was bein' brutally honest. Remove these pains (and not the defects at this time), for I want them away, not for any other motive, simply, because it stinks.

I am not a regular prayer stam throughout the day; I should be. But, at least, when the ship is sinkin', I reach out to Him and not the hallucinations of all those who stretched out their hands to me in the past, and there were many that were extremely soothin'!

And I thank you for allowin' me the opportunity to embellish.

you totally funcused me here...please clarify if i'm wrong

1.yada yada...was a cry of pain nothing more

2.what questions the ? after some words?

also i was thinking all day about how i posted and need to apologize about the wording if i really thought as i said and you said that you were crying out in pain i should have worded my post more carefully

also i do not know anything about the 12 steps though it was obvious that this was a specific prayer...

Il don't understand your question at all.

Please read the prayer in the 12 steps.

A simple Google search will find it.

If you want to have fun, ask Google through voice command. She'll say the whole prayer out loud to you.

And then post tomorrow how we almost fell....But we managed to turn her off before the victory over our defects.
