

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

Lots of nurses here (not sure why).

Some (many), I look at again.

Some (few), I don't
great one I'm still rolling

Either way, I and life move on.

It's nice (this part of life) to get thru the work day without rules, regulations, limitations, filters
blockin', eyes closin', fists clenchin', three second lookin', look again statistic takin', feelin' guilty,
God prayin', sudoku & angry birds playin', impressions lastin', fantasizin', etc.

I am not advisin', just sayin'.
